

# Wanted: Your Kindness and Compassion

## What Our Volunteers Say About Our Training

*“The training I received at Hospice of Central Ohio provided the valuable and comprehensive information needed in order to proffer the high quality-of-life care necessary for the patients and families who seek Hospice of Central Ohio’s services. More importantly, the training gave me insight into the depth of the unselfish commitment, dedication and compassion exemplified by all those who work for the organization. I am humbled and honored to be a part of Hospice of Central Ohio.”*
